Quang Nam, 3rd September 2020

LETTER OF DONATION

To: Domestic and International Enterprises, Organizations and Philanthropists.

The war has passed more than 45 years, but its consequences still remain heavily in Quang Nam fatherland that the whole province has thousands of households with 35.000 people infected toxic chemicals/ Dioxin, suffering from serious diseases that cannot be cured. The most painful is the children and grandchildren of victims with deformities, malformation, pain both physically and mentally, difficulties and shortages in life.

Sponsored by the Vietnam Bank for Agriculture and Rural Development, Quang Nam Association for Victims of Agent Orange/Dioxin has built a center for nurturing, teaching literacy, vocational training and rehabilitation for victims of Agent Orange and Disabled Children of the province. The Center has been put into operation from May 2013 up to now. It has received 47 children who are victims of Agent Orange and Disabled Children.

Address: Nguyen Van Troi street – An Ha Trung quarter – An Phu ward – Tam Ky city – Quang Nam province.
